APPLICATION
FAMU/DOMI/FICPR TECHNOLOGY COMMERCIALIZATION ACCELERATOR PROGRAM (TCAP)
DUE AUGUST 26, 2016

This application is to be used if you are applying to participate in the TCAP with a technology you or your team has already identified. A **team** consists of an **Academic Team Lead** and **Entrepreneurial Team Lead**. Please include information for the team members you have.

It is expected that TCAP participants will complete a seven week workshop course. At the conclusion of the TCAP program and workshop you will have a stronger understanding of the market opportunity, product & market validation, the path to market for your technology and the overall competitive landscape. Participation in the program could lead to potential outcomes ranging from significant industry contacts, ongoing research, opportunities for commercialization funding and a “go/no go” decision as to whether you should look for someone to form a company.

DESCRIPTION OF THE TEAM

Provide a description of the business and technical experience for each member of your team. (2-3 sentences per person).

DESCRIPTION OF THE TECHNOLOGY

One paragraph, non-technical description of technology. (3-4 sentences)

*If you have submitted an invention disclosure to your university, please attach.
Relevant Patent Application #'s?*

COMMERCIAL POTENTIAL

The questions below are intended to serve as a baseline for the course. You are not expected to know specifically how the technology will be used. We merely want to get your initial ideas about potential.

What is the problem or market need that your idea is trying to solve?

Who do you think will buy the product or service? (Please provide a general description and any relevant examples.)

What competitive advantages do you think the technology has over current products or services?

PARTICIPATION IN TCAP

Why do you want to participate?

If selected, how large a grant do you request (up to \$3,000 for FAMU)?

What outcomes to you want to achieve?

PLEASE SEND APPLICATION TO LAWRENCE TINKER, lawrence.tinker@florida-institute.com
NO LATER THAN 5:00PM, AUGUST 26, 2016.
